## A Busy Summer for *tis*!

Here at *tis* the busy summer season is now upon us, and this year is set to be busier than most! We are already completely full for the entire month of July and nearly full for August.

This makes us all very happy – there's nothing we love more than our school full to the brim\* with students eager to learn English!

During the months of July and August we will have over 350 students from 29 different nationalities pass through our doors, many from Europe and others from as far afield as Venezuela, Saudi Arabia and Korea.

All summer, we'll be entertaining our students with our summer social programme. During the week JP runs pub nights, bowling nights, a barbeque and volleyball evening every Thursday & a Friday afternoon boat trip to Brixham. At the weekends we are taking our students off to Cornwall, Bath and Dartmoor. Lots to see and do!

## Goodbye Joan!

Last week *tis* said goodbye to our work experience student Joan Callizo from Spain. He has been with us for nearly 8 months taking classes and helping around the School, and we have all become very fond of him.

Good luck Joan, we will miss you!

## Proud to be British

Back in April, we celebrated the Royal wedding here in the school. Students, staff and teachers alike crowded around the television in the students' lounge to watch the marriage of Prince William and Kate Middleton. We ate cake and drank bucks fizz. All in all\* a very British Day.

Thanks to  
everyone  
who joined us!
